Janet –

Thank you for your submittal of the “Second Lower Umatilla Basin Groundwater Management Area Local Action Plan” (“Second Action Plan”). Pursuant to section 468B.187, O.R.S, DEQ approves the Second Action Plan, understanding some of the actions in the plan are contingent upon available resources and funding for the LUBGWMA Committee and related agencies.

This Second Action Plan provides a positive step forward for the LUBGWMA, updating the initial action plan that was developed more than 22 years ago. Thank you to the committee and all those involved in the LUBGWMA, from agencies, to organizations and individuals for their efforts on this new plan.

Sincerely,

Justin Green  
Water Quality Administrator
